**Methodology for distribution and screening of films
National Film Corporation of Sri Lanka**

1. Introduction

By virtue of the powers vested in the Chairman under Section 57 of National Film Corporation of Sri Lanka Act No 47 of 1971 amended by Act No 45 of 1980, powers which have been entertained so far by private distribution circuits, have been cancelled from 18 June 2019 and from that date National Film Corporation of Sri Lanka performs all the functions including scheduling films for cinema halls, releasing films for screening and collecting income from the distribution of films totally as per the powers of the aforesaid acts.

2. Methodology

Distribution of films within Sri Lanka shall be performed by National Film Corporation of Sri Lanka (Hereinafter referred to as “**Corporation**”).

By virtue of the powers vested in the National Film Corporation of Sri Lanka under National Film Corporation of Sri Lanka Act No 47 of 1971 amended by Act No 45 of 1980, following methodologies should be in the distribution and screening films.

2.1 By virtue of the powers vested in the Corporation under the provisions of the Act these regulations are hereby stipulated and all relevant parties should be bound to adhere to all these regulations.

2.2 Method for registration of films

2.2.1 Registration of local films

Every local film, which is expected to be screened at cinema halls, should be registered properly at the Corporation.

The document containing the method for registration of local films is attached herewith. (Annex 01)

2.2.2 Importation of films

Registered Importers should obtain the written approval of the Chairman of the Corporation (Hereinafter referred to as “Chairman”) fulfilling all conditions as per the importation policy issued by the Corporation to be followed before importation of films.

2.3 Local films registered in the proper manner or films imported will be scheduled by the Corporation for the purpose of screening.

2.4 Following requirements should be satisfied for the purpose of categorisation and scheduling films.

2.4.1 Local films

- 2.4.1.1 Local films, which are expected to be screened, should be submitted for categorising to a local films evaluation board (Hereinafter referred to as “**Evaluation Board**”) appointed properly by the Board of Directors of the National Film Corporation.

The document containing the composition of the Evaluation Board is attached herewith. (Annex 02)

- 2.4.1.2 The aforesaid Evaluation Board will categorise films in the following manner after watching the films submitted to the board.

- * Films with classical - attractive characteristics
- * Films with commercial-attractive characteristics
- * Films with the combination of classical - attractive characteristics and commercial-attractive characteristics

The document containing the criteria prepared by the aforesaid Evaluation Board and applicable to the categorisation of films is attached herewith. (**Annex 03**)

Films which are not included in the above categorization will not be scheduled for screening at Cinema Halls. A Board of Appeal for the evaluation of local films (Hereinafter referred to as “**Board of Appeal**”) has been appointed giving opportunity to producers for making an appeal.

The document containing the composition of the aforesaid Board of Appeal is attached herewith (**Annex 04**)

- 2.4.1.3 Local films, which are categorised by the aforesaid Evaluation Board, should be submitted to the Public Performance Board by the producer of film.

- 2.4.1.4 Producer should hand over the films, to which the certificate of Public Performance Board is issued, to the Corporation for scheduling and distribution.

- 2.4.1.5 The films handed over by the producer (Hereinafter referred to as “**Film Reserve**”) will be included in the Films Reserve to be screened as per the order of dates in the certificate issued by Public Performance Board.

- 2.4.1.6 For the purpose of obtaining recommendations for releasing films to Cinema Halls a Scheduling Committee for local films will be appointed (Hereinafter referred to as “**Scheduling Committee**”).

The document containing the composition of the Scheduling Committee is attached herewith (**Annex 05**)

2.4.2 Imported films

- 2.4.2.1 Films, which are imported in terms of the importation policy of National Film Corporation, should be handed over to the National Film Corporation by the respective importer.

- 2.4.2.2 The films, which are handed over in the above manner, will be submitted by Corporation for the approval of the Public Performance Board.

- 2.4.2.3 The films, to which the certificate of the Public Performance Board is issued, will be distributed by the Corporation.

3. The standard charges recovered by Public Performance Board should be borne by the producer/importer of the film.
4. With a view to formalize the distribution of films in national films industry, Cinema halls, which at present screen local films will be operated as three distribution channels by way of dividing them in to three categories. (**Annex 06**) However for the purpose of screening a special film on the request of producer (**Annex 07**), Corporation will take action depending on the situation to appoint maximum number of cinema halls attaching cinema halls in one channel to another channel on the written approval of the Chairman depending on the recommendations of scheduling committee and recommendations made based on the criteria of Evaluation Board.
5. At the first release, at least three main screening times should be held continuously within first two weeks for local films scheduled for screening under above mentioned three channels subjected to holdover figure of cinema halls. (10.30 a. m., 1.30/ 2.30 p.m., and 6.30 p. m./ 7.00 p. m)
6. The opportunity is given to screen either a local or imported film at another screening times in addition to the minimum screening times of the local film, which is scheduled for screening at cinema halls maintained under the above three channels.
7. Further imported films will be screened at cinema halls, in which imported films are screened, outside the channels in which local films are screened. (**Annex 8**)
8. Opportunity will be given to screen local films depending on the requests made by Cinema Halls, which screen those imported films.
9. Films with classical - attractive characteristics, films with commercial-attractive characteristics, and films with the combination of classical - attractive characteristics and commercial-attractive characteristics, which are categorized by the aforesaid Evaluation Board, will be screened at Cinema Halls under three channels where local films are screened.

Accordingly they will be scheduled so as to be distributed equally under three categories.

	<i>Channel 1</i>	<i>Channel 2</i>	<i>Channel 3</i>
First instance	Films with classical - attractive characteristics	Films with commercial-attractive characteristics	Films with the combination of classical - attractive characteristics and commercial-attractive characteristics
Second instance	Films with the combination of classical - attractive characteristics and commercial-attractive characteristics	Films with classical - attractive characteristics	Films with commercial-attractive characteristics
Third instance	Films with commercial-attractive characteristics	Films with the combination of classical - attractive characteristics and commercial-attractive characteristics	Films with classical-attractive characteristics

E.g.: If films are considered in the following manner,
Films with classical - attractive characteristics - X
Films with commercial-attractive characteristics - Y
Films with the combination of classical - attractive characteristics
and commercial-attractive characteristics - Z ,

The table should be as below.

	<i>Channel 1</i>	<i>Channel 2</i>	<i>Channel 3</i>
First instance	X	Y	Z
Second instance	Z	X	Y
Third instance	Y	Z	X

10. The films, which are scheduled for screening through films reserve, will be maintained under each such channel and action should be taken to schedule at least 05 films under one channel. (Accordingly a waiting list of scheduled 15 films should be maintained under three channels at every time.) This section will be implemented subject to the provisions in Para 04.
11. If it is required to release, at a specific occasion, a film with limited number of copies to a certain channel for a short period, such film can be released in a manner not to cause hindrance to the main release of the respective channel on the written approval of the Chairman based on the recommendations of scheduling committee and evaluation board.
12. The schedule made for screening under channel system will not be revised except on reasonable grounds and written approval of the Chairman of the Corporation should be obtained, if such revision is to be made. (The list containing such reasonable grounds is attached herewith-**Annex - 09**)
13. However, in case where the appointed screening opportunity is not obtained in respect of a particular film without above mentioned reasonable grounds, the film should be included in the last place of the waiting list mentioned under 10. Further the chance given to not obtain such screening opportunity should be limited to two occasions.
14. A new film will be scheduled in each channel from the film reserve within two weeks from the release of one film out of the films scheduled under each channel. This order will be applied continually.
15. Action will be taken to screen the trailer of films scheduled under each channel at least with two films screened previously and no payment should be made to a cinema hall or any other party for screening trailers.

All publicity campaigns related to a film can be carried out on the discretion of the producer of the film. However if it is expected to entrust pre- publicity campaign to the Corporation, action should be taken in the following manner. In order to send following items to Cinema Halls, they should be handed over to Corporation in the following manner.

15.1 Trailer should be handed over to Corporation two weeks before the first release of the next two releases.

15.2 Photo Cards should be handed over two weeks before the second release.

15.3 Posters and main hoardings should be handed over two weeks before the release of the respective film.

The Corporation holds no responsibility regarding the publicity of films, of which materials for publicity are not provided in the above manner, and at such occasions it is assumed that publicity campaign is launched on the discretion of the producer.

16. Local films, which are due to be released, should be handed over to Corporation two weeks before the release. In the meantime imported films should be handed over to Corporation within sufficient time before the distribution. (35mm and DCP copies)
17. Producer/ importer of the film should enter in to a formal agreement for distribution with Corporation before the screening of local films and imported films, which are to be released and this agreement should not be violated.
18. Each cinema hall should, along with the duly perfected daily reports, remit the share to be remitted to the Corporation from the daily collection received from the screening during the following day and action will be taken to suspend the release of next film to cinema halls, which do not follow this process.
19. The share of the producer out of the remittance made by cinema halls to the Corporation relevant to each film will be paid within 45 days from screening.
20. When the films released under channels are removed from screening the holdover figure of the released film will further be applied.
21. Charges and distribution structure for cinema halls implemented under Strategic Development Projects will be determined according to the Memorandums of Understanding signed with the Corporation.
22. Even though this methodology is implemented with a view to maintain film industry without interruption, this methodology will be revised from time to time considering the recommendations and observations made in scientific and research aspects by the Investigation and Research Division of the Corporation on practical issues arisen in Distribution, Marketing, Production, Research and Investigation divisions.
23. However the Corporation always considers the suggestions and views submitted logically, scientifically and with common agreement by all parties relevant to the field including producers, importers, directors, cinema hall owners, managers, artists and any other individual or organization, who wishes progress and enhancement of the cinema industry.
24. The Chairman of the Corporation retains all powers for revision, cancellation and determination of matters including circulars/guidelines issued for the purpose of implementation of the film screening and distribution methodology.
25. Any decision taken by the Chairman of the Corporation regarding any matter in relation to the methodology issued to ensure proper distribution of films should be the final.
26. In case of any inconsistency observed among Sinhala, Tamil and English texts, Sinhala text should prevail.

In this methodology, unless the context otherwise requires,

“Act” means the National Film Corporation of Sri Lanka Act No 47 of 1971 amended by Act No 45 of 1980.

“National Film Corporation of Sri Lanka” means the National Film Corporation of Sri Lanka established under National Film Corporation of Sri Lanka Act No 47 of 1971 amended by Act No 45 of 1980.

“Film” means a local or imported film.

Exception:

By virtue of the powers of the National Film Corporation Act No 47 of 1971 amended by Act No 45 of 1980, regulations, which are subsequent and relevant to all tasks connecting to the distribution of films including scheduling films for cinema halls, releasing films for screening and collecting income in the release of films, will be issued in due course.
